

## ABOUT US

Maryland Correctional Enterprises (MCE) is the prison industry arm of the Department of Correction and is one of the top prison industries in the nation. We offer products and services, and we are an effective correctional industry model for preparing offenders for employment upon release.

## OUR MISSION

The mission of Maryland Correctional Enterprises (MCE) is to provide structured employment and training activities for offenders in order to improve employability upon release, to enhance safety and security, to reduce prison idleness, to produce quality, saleable goods and services, and to be a financially self-supporting State Agency.

## OUR VISION

Maryland Correctional Enterprises endeavors to transform lives through mentoring, providing marketable skills, and instilling positive work ethics to contribute to a safer community.

## WHY CHOOSE US

- ▶ **Economic Impact**  
Maryland Correctional Enterprises contributes millions of dollars a year to the Maryland economy through salaries, wages and the purchase of private sector goods and services.
- ▶ **Recidivism**  
Maryland Correctional Enterprises provides inmates with much needed work skills and work ethics. Previous studies comparing MCE inmates to the DPSCS general population inmates suggest that MCE has a positive impact on reducing recidivism.
- ▶ **Continuing Allocation of Re-Entry Services (C.A.R.E.S.)**  
This program provides a continuum of care to Maryland Correctional Enterprises inmate employees by combining structured training and employment, education, substance abuse treatment, and reentry services to continue to reduce rates of recidivism.
